EXAMINER'S AMENDMENT AND REASONS FOR ALLOWANCE

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

IN THE SPECIFICATION

Paragraph [001] has been replaced with the following amended paragraph:

This application claims priority, as a divisional application, from the parent U.S. application 08/525,639, filed September 6, 1995, now U.S. Patent 5,753,086, which is a national phase application of PCT/US94/02433 March 8, 1994, which is a PCT application of US nonprovisional application number 08/028,844 filed March 10, 1993, now abandoned.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The primary reason for allowance of claims 70-87 is that the prior art of record does not disclose a process for decomposing waste plastic in which the free radical content of the

Art Unit: 1764

resulting solution is controlled and wherein the solution comprises a separate free radical precursor.

The primary reason for allowance of claims 88-104 is that the prior art of record does not disclose a process for decomposing waste plastic in which the free radical content of the resulting solution is controlled and wherein the waste plastic includes polyvinyl chloride and no separate free radical precursor is added to the solution.

Claims 1, 3-5, 9-16, 23, 24, 27, and 28 are allowable because the prior art of record does not disclose or suggest the step of controlling the free radical precursor of the solution by adding a substance chosen from the group consisting of waste plastic material, polyvinyl chloride, and polyurethane.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
